

# CANADIAN NUCLEAR LAW ORGANIZATION

## OBJECTIVES

The objectives of the Canadian Nuclear Law Organization (CNLO) are as follows:

1. **Legal Education**

*To improve the education of our members in matters relating to Canadian and related international nuclear law, through meetings, seminars, conferences, publications, the CNLO website and email and other electronic communications.*

2. **Dissemination of Information**

*To disseminate, share and exchange information amongst our members relating to Canadian and international nuclear law, through meetings, seminars, conferences, publications, the CNLO website and email and other electronic communications.*

3. **International Cooperation**

*To participate in international organizations such as the International Nuclear Law Association (INLA), and to participate in international seminars and conferences, all as approved by the Board of Directors. This participation may include the nomination by the Board of Directors of a member to sit on the board of directors of INLA and/or similar organizations.*

4. **Networking**

*To provide a forum for our members to network and meet other lawyers, professionals and students with an interest in nuclear law.*
